

SPANISH CHAMPIONSHIP CE-2010 - SLOT RACING FESTIVAL

PRESENTATION

Once again we find ourselves in the organization of the Championship of Spain Slot Racing, in this its fifteenth edition to celebrate the upcoming October 29-30-31 and November 1.

It has come a long way since that first edition held in the Spanish Village of Montjuïc, in Barcelona, in the year 1996, up to now in the spacious fairgrounds facilities Cal Carner in Igualada. And of course we know that we have much more to go, in a determination to improve year after year.

In any case, the work of these years has enabled us to become the world's highest concentration of slot racing world.

OBJECTIVES

For this edition we have set more ambitious targets than in previous years, not only promoting the sport and competitive but also exhibiting the display. That is why we are working with different brands of domestic and international slot to convert the event into the largest exhibition of slot racing in Spain and - why not - of the world.

This is embodied in:

- Bind the maximum possible marks: the largest hall in the world of slot
- Reflect the reality of the Spanish slot industry as a leader in the world
- To be the pinnacle national, European and global competition slot
- To be the best vehicle for the general public know live updates from the manufacturers, with the added bonus of the possibility to test
- To be the biggest and best entertainment area in Europe slot
- To be the main point of encounter and exchange of experiences among clubs and fans to the slot

In short, remain as the most important event of the slot racing world
